PROGRAMS OF STUDY

Degrees

- Biomedical Informatics (MS) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-ms/)
- Biomedical Informatics (PhD) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-phd/)
- Doctorate in Health Informatics (DHI) (https://catalog.uth.edu/biomedical-informatics/programs/doctorate-health-informatic/)

Accelerated Master's

- Biomedical Informatics (Accelerated Master's) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-accelerated-masters/)

Dual or Pathway Programs

- Biomedical Informatics (MS/MD) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-ms-md/)
- Biomedical Informatics (MS/MPH) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-ms-mph/)
- Biomedical Informatics (MS/PharmD) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-ms-pharmd/)
- Biomedical Informatics (PhD/MPH) (https://catalog.uth.edu/biomedical-informatics/programs/biomedical-informatics-phd-mph/)

Graduate Certificates

- Graduate Certificates (https://catalog.uth.edu/biomedical-informatics/programs/graduate-certificates/)
- Joint Certificates (https://catalog.uth.edu/biomedical-informatics/programs/graduate-certificates/joint-certificates/)

Non-Degree Students

- Non-Degree Biomedical Informatics (https://catalog.uth.edu/biomedical-informatics/programs/non-degree-biomedical-informatics/)
