

# STUDENT ORGANIZATIONS

---

Several organizations exist independently of UTSD to provide students the opportunity to become familiar with the activities of professional societies. For information on all UTSD registered student organizations, please visit the UTHHealth Houston Student Organization website (<https://inside.uth.edu/academics/organizations.htm>).

## Student Governance Organizations

All students regularly enrolled at UTSD are members of the Student Association at UTSD, which coordinates several student-related activities. The Student Council serves as the governing body of the Student Association at UTSD. Members of the Student Council are elected from each class. Students may also participate in UTHHealth Houston student organizations such as the Student InterCouncil or other registered student groups.
