Tuition and fees are subject to change and become effective on the date enacted. The Texas Legislature does not set the specific amount for any particular student fee. Student fees are authorized by state statute; the specific fee amounts and the determination to increase fees are made by the university administration and The University of Texas System Board of Regents.

Please refer to the Bursar's Office for the current Tuition and Fee Schedules (<https://www.uth.edu/bursars/student-resources/tuition-fees/school-of-dentistry/>) for all UTSD programs.
