

PEDIATRIC DENTISTRY (ADVANCED EDUCATION PROGRAM)

Two-Year Program

The Advanced Education Program in Pediatric Dentistry is an academically intense 24-month Advanced Education Program accredited by the Commission on Dental Accreditation of the American Dental Association. It leads to the award of a Specialty Certificate in Pediatric Dentistry and an optional Master of Science in Dentistry degree. Award of the Certificate requires completion of 51 semester credit hours and a Master of Science in Dentistry requires 53 semester credit hours for completion.
