

PROSTHODONTICS (ADVANCED EDUCATION PROGRAM)

Three-Year Program

The Advanced Education Program in Prosthodontics is an academically intense three-year Advanced Education Program accredited by the Commission on Dental Accreditation of the American Dental Association. It leads to the award of a Specialty Certificate in Prosthodontics and a Master of Science Degree. Award of the Certificate requires completion of 72 semester credit hours, and the Master of Science in Dentistry requires completion of 74 semester credit hours.
