

# BOOKSTORES

---

UTHealth Houston Auxiliary Services manages two campus stores located at McGovern Medical School and School of Dentistry. These stores are operated by a third-party vendor.

A student at UTHealth Houston is not under any obligation to purchase a book or course related supplies from a university affiliated campus store. The same book may also be available from an independent retailer, including an online retailer.

Each campus store offers textbooks, professional references, review books and study guides in a physical print version or digital format. The UTHealth Houston campus stores offer special ordering of books, including book rentals (select titles) and a Price Match Program on adopted textbooks. Please contact your campus store for details on the Price Match Program.

Students will find a wide selection of medical supplies, diagnostic equipment, dental equipment and other course-related supplies. The UTHealth Houston campus stores stock a large variety of scrubs and lab coats and offer embroidery service for these items. Students and faculty can also expect to find UTHealth Houston gift items and emblazoned apparel in stock, and discounted software made available online through the store's websites. Diploma frames are available year-round, including the option to place custom orders online (<https://www.framingsuccess.com/>) using the site's Frame Creator feature.

UTHealth Houston campus stores can also fill special order items for groups or individuals. Please contact your campus store for details regarding special orders.
