

STUDENT FEE ADVISORY COMMITTEE

Student Fee Advisory Committee

The Student Fee Advisory Committee is established pursuant to state law and is charged with reviewing proposed tuition, student services, incidental, laboratory and other fee changes, making recommendations to the university Deans and/or President before submission of new tuition and fee proposals to UT System Board of Regents for approval. Each UTHealth Houston school will convene a School Student Fee Advisory Committee that will review proposed changes for that school. A University-wide Student Fee Advisory Committee will convene to address any student services or incidental fees that are charged across all seven schools.
