

NURSING: PACESETTER PROGRAM (BSN)

Minimum Semester Credit Hours: 60
Completion Time Limit: 3 calendar years

The Pacesetter Program is program of study in which all of the nursing theory courses are offered in the first three semesters followed by a full-time, clinically intensive fourth semester. There will also be clinical experience labs and simulation during the first three semesters to complement the didactic material. Students must have a minimum of 60 semester hours credit or 90 quarter hours comprised of both prerequisite and elective work in order to be enrolled in the nursing program. Students are admitted to this program in the fall, spring and summer semesters.

The upper-division nursing program consists of 60 semester hours offered in four full-time semesters for students. Upon successful completion of the program, students are awarded the Bachelor of Science in Nursing degree and are eligible to take the National Council of Licensure Examination (NCLEX-RN) for licensure as a registered nurse.
