

# MINOR IN BIOSTATISTICS

---

## 9 semester credit hours

The Department of Biostatistics and Data Science offers a minor course of study in Biostatistics. Students are required to complete the following courses.

## Course of Study

Students are required to complete 9 credit hours from the following list of courses:

Code	Title	Hours
PH 1700L	Intermediate Biostatistics <sup>1</sup>	3
Biostatistics Elective (1690-1999) <sup>2;3</sup>		3
Biostatistics Elective (1690-1999) <sup>2;3</sup>		3

<sup>1</sup> PHM 1690L Introduction to Biostatistics in Public Health is a prerequisite to PH 1700L Intermediate Biostatistics, but may be waived depending on the student's background.

<sup>2</sup> Selected courses must have a catalog number higher than PH 1700L Intermediate Biostatistics.

<sup>3</sup> PH 1820L Applied Linear Regression is strongly recommended as an elective for all students.
